

Technology is the key to organizational growth, and we provide key talent.

The Premier Resources Group (PRG) endeavors to build authentic and professional relationships with our technology sector clients and connect them with top-caliber talent. We work closely with our clients to create customized, flexible talent solutions to meet their organizational goals.

We focus on recruiting IT talent in the following sectors:

Development:

- Custom Application Development/Systems Development Life Cycle (SDLC)
- Web Developers
- Database Developers
- Software Developers

Functional:

- Business Intelligence Resources
- Business Agility Resources
- Business Analysts
- IT Project Managers
- IT Product Managers
- Quality Assurance Analysts

Infrastructure:

- Cloud Technology Resources (Azure/O365/AWS)
- Technology/Help Desk Support Resources
- Security & Governance/Cybersecurity Resources
- Network & System Engineers

IT Student Staffing Program:

PRG is proud to announce the rollout of our IT Student Staffing Program, which is designed for students who are enrolled in specific IT-related graduate or undergraduate programs at select colleges and universities. For more information about PRG's Student Staffing Program, please contact Dustin Moon (Dustin@ThePRGteam.com).
